Got this email from Cindy a few minutes ago, she asked me to post it for her.

Respond to Cindy if you need info or would like to request a space.

Also, I received word today from Linda that she and Keith will be unable to make the reunion. Was sorry to hear that.

Thanks,

Lyle

Hi Lyle,

I reserved a small two bedroom cottage for Sun and Mon nights (Sep 13th and 14th) for Reunion Hikers that need a place to stay before the Hike (donations accepted). The cottage can take up to eight hikers but that would be crowded. It has two bedrooms (three queen beds and a queen foldout couch in the living room) one bath and a full kitchen. There's a hot tub on the premises. And it has a fire place! See 'snip-it' below.....

It's the Mountain Meadow Cottage at Colorado Cottages..... <http://www.colocottages.com/> .....They also have smaller cottages if someone wants their privacy. This cottage is between Estes Park and Mary's Lake (about two miles either way). The address is 1241 High Drive, Estes Park, CO 80517 just off the Route 36 (Moraine Ave). I think Route 36 will be the road to the trail head too. There's a few folks (Ryan Bozis and Paul Pritchard) staying at these cottages for the Reunion Weekend. Mary's Lodge also has rooms available.

I copied some folks but maybe you can post this email on Facebook (I'm not good at Facebook). I can't find Keith's email address and I think he's going to hike.

It looks like Stacey is going to be my tent mate! Thanks for getting the permit(s) and stuff. Let me know if I can do anything from my side.

Cheers, Cindy
